

Senior Performing Arts Trip

It's December 1968 and Judy Garland is about to make her triumphant comeback...again. This savagely funny drama offers unique insight into the inner conflict that inspired and consumed one of the most beloved figures in American popular culture. This powerful new play also features over a half dozen of Judy's signature songs performed live on stage. End Of The Rainbow was a huge hit in London's West End, and on Broadway just last season, and features an evening of explosive acting, classic songs and fierce emotion.
